

HANDICAP RACE CHART

The Handicap Race system is designed to level the playing field by adjusting the starting score based on the difference in UPscore ratings between players.

The higher-rated player will start with a negative score depending on the point difference between them and their opponent.

Minimum UPscore Rating Difference	400 & Below	401 – 520	521 & Above
40	-1	-1	-1
80	-2	-2	-2
120		-3	-3
180	-4
